

Step 1

Download the RWTF Loan Application Form (AE 796) from Web Forms.

Fully complete the "Applicant details" section

Please ensure that the date your current engagement ends is recorded on the application. For members who are serving on a permanent engagement this is your age retirement date.

Step 2

Forward to your Supervisor or Unit Administrator

Unit recommendation

The recommending authority must be at least FSGT level. e.g. your CO, PCO (Admino) or Executive Officer.

The purpose of the Unit Recommendation is to provide an indication to the Investigating Chaplain / Officer that an applicant is not likely to be discharged during the term of the loan. Should the Unit recommendation indicate that a member is likely to be discharged then the Investigating Chaplain / Officer may need to renegotiate the terms of the loan with the applicant.

The bank details provided should match where your pay goes. This information is requested only because some members are not visible on D1 and some overseas members will need to nominate an Australian bank account.

Complete "Statement of amount, purpose of loan and prior financial details" section

Use the (Repayment Options Guide) to complete the required fields once you have decided how much you want to borrow.
